

Toy Treasure Hunt

Let's go on a toy hunt!

See if you can find a toy that matches every letter of the alphabet. Write the name of the toy next to the letter so you remember what toy it was.

Did you have many letters of the alphabet left?

Can you think of a toy you don't own that would fit those missing letters?

Now challenge a family member to go on a toy hunt.

Maybe make the challenge harder.

Give them a minute, or even 30 seconds to find a toy and bring it back to you.

Or set a different challenge, ask them to find a toy that is red, has wheels, moves or is square.

Compare and Contrast

Discovery Museum's collection features a wide range of objects from science and technology to fashion and everyday household items. You'll see many toys in the Newcastle Story gallery, especially Victorian toys.
